I am making myself available for consideration as a candidate for either a vacant board position or for the architectural control committee (ACC) for the Paramount subdivision HOA. My experience with both of these positions includes the following:

Chairperson of the Meridian Greens subdivision ACC for approximately 15 years. This position required an understanding of the City of Meridian building regulations and codes. I served on the board of directors as chairperson, vice chairperson and as a board member for approximately 15 years. I was in charge of the Meridian Greens Subdivision irrigation system for 14 Years. I was an HOA manager for Advantage Idaho (now Sentry Management Co.) for 7 years. I am a retired civil service employee and currently own a consulting company. I have lived in Meridian Idaho for 22 years moving here from Colorado. Thank you for your consideration. Jim Rosetti
